### THEIR OWN MEDICINE.

John D. Rockefeller Jr. and three officials of the Colorado Fuel and Iron Company may be brought to trial for murder in connection with the Ludlow massacre.

They will not, of course, be charged with actually aiming the machine gun and pulling the trigger. They will be charged with being leaders of the men that so successfully conducted the massacre.

John Lawson, labor leader, was sentenced to life imprisonment for murder in connection with the Ludlow killing.

His crime was that he was a leader of the strikers. Ford and Suhr are serving life sentences because they were leaders of the strikers at Wheatland.

Why not apply the law on the other side? If it holds good for the worker, doesn't it hold good for the boss?

If the armed guards fired the Ludlow tent colony, killing women and children with bullet and flame, are not the actual leaders of those guards guilty of murder according to the law as interpreted for the workers in Marysville and Colorado?

Besides Rockefeller, J. F. Wellborn, L. M. Bowers and E. H. Weitzel, officials of the fuel company, may be prosecuted according to the attorneys for the unions.

### OBSERVE CLEVELAND.

Please observe that irrepressible Socialist, Moses Cleveland.

He is located in Northern Ohio on Lake Erie, at the mouth of the Cuyahoga River, a stream famous for conveying refuse of the Standard Oil Company, and the largest assortment of odors that the atmosphere carries anywhere.

Several years ago Cleveland thought that the street railways were gouging the folks.

Cleveland practically took over the same, and gave the folks 3-cent fares.

Then there came the public markets, garbage incineration, municipal lighting plant and, best of all, municipal management of public playgrounds.

So, Cleveland got Socialistic on happiness. In winter there are fine skating ponds, hills to coast on and places for snowball battles.

In summer there are tennis courts, ball grounds, bathing beaches, and it is all as welcome to the boy from Sorrow Alley as the boy from Euclid avenue.

Moreover, the management of all the fun is as much a matter of city government as in running the fire, police, treasury and other departments at the city hall.

Socialistic? Why, of course, but Cleveland doesn't care what you call it, so long as it produces better citizenship.

And now what do you suppose Mr. Cleveland proposes? He is going to peddle waffles in the parks and the playgrounds. Isn't that the limit of Socialism?

But, last year, he broke the ice cream trust, as he'd broken ice and fish and other trusts, by selling ice cream at cheap prices, and he made a profit on it.

People need a bite, after walking or playing in the beautiful parks for hours.

"Waffles! Hot Waffles! Fresh Moses Cleveland waffles! Only — cents!" We don't know the price, but it will be below waffle trust figures.

And there you are!

Transporting, entertaining, ice-creaming and waffling them Socialistically.

Tom Jones' soul goes marching on! It was for men — Exchange.

The suit has held up the improvement of Twenty-third street.

### MARTINEZ IN MIDST OF RABIES SCARE

So acute has the rabies condition become in Martinez that the city trustees held a special meeting Monday night, when an emergency ordinance was framed and immediately passed, giving to the poundmaster and all officers the right to kill any animal suspected of having the disease, as well as any afflicted with any other ailment. The ordinance goes into effect in five days.

It makes it a misdemeanor, punishable by a fine of not more than \$300 and imprisonment for not more than three months, for any one to allow their dog to ramble about the streets unmuzzled.

This action was taken after Dr. E. W. Merrithew read the telegram from the University of California to the effect that the dog killed on May 22 by City Clerk Charles E. Daley had a very severe case of rabies.

### CHICKEN WHIST IN W. O. W. HALL THURSDAY

Plans are nearly complete for the big chicken whist party to be given in W. O. W. Hall at Seventh and Macdonald on Thursday night under the auspices of several local fraternal organizations. The committee in charge plans to give a chicken as a prize for every table. To judge from present indications the affair will be one of the most enjoyable, as well as one of the largest attended, yet given in Woolmen Hall.

## MAKES STIRRING SUFFRAGE TALK

Mrs. Crystal Eastman Benedict, who last month made a tour through California, speaking in many cities on woman's suffrage, is in the field, this week in Washington, D. C., before the Industrial Relations Commission, made a stirring appeal for the enfranchisement of all women on the ground that the disfranchisement of women contributed in large part to the industrial unrest in this country.

Mrs. Benedict is a woman of not only brilliant attainments, but striking beauty. With Mrs. Inez Millholl-Bolshevik the two have been dubbed "America's two most beautiful suffragists." Mrs. Benedict is vice-chairman of the Woman's Peace Party of New York; and a member of the executive committee of the Congressional Union for Woman Suffrage, for which organization she spoke in Washington. She is the author of "Work Accidents and the Law," the authoritative study on industrial accident insurance. Mrs. Benedict was the first woman in this country to speak before the United States Commission, appointed by President Wilson, on the disfranchisement of women as a cause of unrest.

"Women today are on the point of rebellion," said Mrs. Benedict, "against the slow machinery of justice. They demand federal action prohibiting the present indefensible disfranchisement on the ground of sex. If the struggle for the ballot lasts much longer it will only engender a bitterness between men and women which will take many years to overcome. Wherever injustice exists there must be resentment."

## SCENE FROM "THE JUNGLES"

Upton Sinclair's tremendous and daring story of the beef packing industry, "The Jungle," filmed in five intense acts and played by a company of dramatic stars, is the big leading feature of the Richmond theater today and tomorrow. The story is well known to anyone who has kept up with the best of American fiction and is recognized as a classic of modern business and industrial warfare. George Nash, former star of "The Gamblers," and "Officer 666" and Gail Kane, star of "Seven Keys to Baldpate," are among the actors that make this a great film. The author himself, Upton Sinclair, has a part in the production. Another feature of today's bill will be Charlie Chaplin, king of comedy, in a regular scream, entitled "A Night Out." This play is too funny for description and must be seen to be appreciated. The other film on the bill is a Vitagraph drama, "The Black Wall."

## Mrs. Goat Butts Officer Officer Arrests Mrs. Goat

Just because she "batted in," an inoffensive nannygoat was placed under arrest at 1 o'clock this morning by Special Officer Charles Mahnke. Before Mahnke and the goat had concluded their argument, the genial peace custodian placed his new pair of handcuffs on the feet of the goat, who then remained passive until reinforcements in the person of Sergeant Jennings arrived on the scene.

The scene was the Richmond Lumber Company's yards near the Southern Pacific depot. Mahnke was quietly patrolling his beat, when he met with a terrific assault from the rear.

Turning around just in time, he sighted the nanny, who, enraged at intrusion of her browsing place, was preparing for another charge. Discretion, thought Mahnke, was the better of valor, so he got out of reach for the time being.

But being a good officer, and being a persistent sort of a cuss, Mahnke decided to stay with his guns. Finally he managed to overcome Mrs. Goat, who was officially placed in custody. After a consultation between Mahnke and Jennings, the goat was returned to its original pasturage and the battle of "Bull Run" was a thing of history.

## JOHN DREW IN ROMANTIC COMEDY AT THE MACDONOUGH

A coming theatrical engagement that is of the greatest interest is that of the distinguished actor, John Drew, in "Rosemary," that delightful romantic comedy by Louis N. Parker and Murray Carson, which Mr. Drew originally presented in this city a good many years ago. "Rosemary" is one of those plays that time leaves undisturbed. It is as sweet and as wholesome today as it was at the time of its original production and it is just as appealing to the theater-goers now as it was then. The story is delightfully romantic and it is charmingly told. In the role of Sir Jasper Thorndyke, Mr. Drew is seen at his best. John Drew in "Rosemary" will be at the Macdonough theater May 31, June 1-2.

These letters from local and out-of-town sufferers are open for your inspection at our office. The following letter is one that will be of interest to hundreds of men and women who have been suffering and been unable to find relief at the hands of doctors. Read this letter from one of San Francisco's most prominent newspaper men:

My Dear Doctor Chan:

I am more than pleased to be able to endorse your effective method of herb healing. With a painful attack of acute muscular rheumatism, after having tried Swedish Massage and later the remedies of a well-known specialist, I came to you on the advice of Mr. Shoon, proprietor of the China Toggery, who stated that you were the best Chinese practitioner he knew.

With some apprehension as to your ability to accomplish what the others had severely failed in, I commenced taking your herb teas. With the result that in a few weeks I found not only that the rheumatism has been eliminated, but along with it indigestion and a long standing constipation which had threatened to become chronic. It will always be a pleasure to recommend you to my friends, as I have already done in many instances, feeling confident that in any case where you state you can cure, a cure will be accomplished through your remedies. Very truly yours,

DOPE SHEETS DON'T  
COUNT AT ALL NOW

Those fans who are trying to consult a dope sheet to determine which team will win Sunday, Richmond or Petaluma, are up in the air. There is no dope sheet to be consulted. So far this season Richmond has played no clubs that Petaluma has played, and vice versa. So there is no chance to get a line on the strength of the clubs in this way.

Richmond has some veterans on its lineup, but there are many new faces. Petaluma has almost a new club. So there is no chance to make any comparisons by pointing out how the teams performed last year.

True, both teams have the same pitchers they had last year. Hollis will do the bulk of the mound work for the Petalumas, while Burns and Gordon will be on the firing line for the Elks. Personally we think Burns and Gordon have something in the pitching line that Hollis has not. But his luck seems to make up for their superior pitching.

Anyway you want to look at it, Sunday's contest between the Elks and Leghorns on the Petaluma diamond will be a humdinger. Both clubs want to win; the fans of their respective towns are demanding that they come out on the long end.

draw on the occasion of their last meeting, and the question of supremacy is still in doubt between them, although each thinks he is the best man. These birds will make an ideal special event.

Freddie Duffy, who was to have met the original Jimmie Duffy here last Friday, but who got sick at the last minute, will probably go on with Willie Dermody, another 100-pounder. Freddie has battled out here once, and the fans have not yet forgotten the great bout he put up in which he knocked San Francisco's premier, 118-pounder, out of the ring in the next card. If arrangements now under way for a match are completed, Thompson and Jimmy Dundee, the fighting newboy of Oakland, will be in there against each other.

There will be on, and possibly two, more bouts on the card. The above lineup is by no means definite, but the matchmaker will do all he can to put it over. It looks like the best card so far.

Some class to "Plug" Milne. The old boy is out automobiling these days. The life of a pug isn't so bad after all.

Martinez may say she has the heaviest hitting ball club in the bushes till the entire populace is black in the face, but those six hits that the McNamarites got off some unknown bush hurler Sunday don't wear out the assertions of the up-country fans and players.

CHARLIE OLSEN  
CHALLENGES  
AGAIN

Who said Charlie Olsen, of wrestling fame, is dead? Charlie is persistent in his efforts to break in on the fight map here, although it is hardly likely his persistence will get him anything in this particular case. The promoters have received the following letter from Olsen:

"I have been waiting to hear from you in regard to the match with Ritchie. Ritchie and I would sure draw a big crowd. If any of the fans have a doubt as to my ability to give Ritchie a bout, they will soon change after they see me train. Hoping you give me a match soon, as I have other bouts in view, I am yours, etc."

PIGMY ANXIOUS  
TO TAKE ON  
GIANT

Young Santell, 150-pound wrestler of Milwaukee, or some other place far out of these United States, blew into Richmond yesterday and immediately on getting acquainted with a few of the boys up and down the Rue de Macdonald, issued a challenge to take Dosson for a match to be staged in the near future.

This Young Santell is a confident cuss. Although Dosson has it on him about fifty pounds in weight, he thinks he can clean the big Oklahoma blacksmith in six time. Santell is willing to take Dosson on for a purse of \$50 either in public or private.

Who is going to promote a wrestling match in Richmond? That's the only question the writer will ask.

Mr. and Mrs. Galvin were in attendance at the bedside of the stricken parent yesterday. They declare that recovery is doubtful, owing to the weakened condition of the patient. Mrs. Harris has been ill for some time.

SPORTING  
GOULASH

"Babe" Danzig is the Martinez club. We'll have to admit that Danzig is a regular ball player; too fast to be wasting his time and energy showing the fans at the whistling station up the road what he has. Danzig played a good game Sunday, getting one hit out of four times up, and handling nine putouts on first without a sign of a bobble.

Eddie Benn, the new Richmond third sacker, thinks Richmond can beat Petaluma. Well, Eddie, you have come to the right town in which express those kind of views.

Remember, you fans, who are planning to go to Petaluma Sunday, that the ferry Ellen leaves the wharf of the Richmond-Marina Transportation Company leaves at 10:15 sharp. This is the only logical time in which to make the trip. Although a large crowd is expected to take the trip across the bay, there will be ample accommodations for everyone.

If "Babe" Wunlich will consent to go at the next boxing show in a curtain raiser, the matchmaker will be glad to put him on with some good boy, and give him an opportunity to show what he has and work his way up. There are several scores beside the matchmaker who think that Wunlich has something in spite of the beating Plug Milne gave him Friday night. What he needs more than anything else is experience, and if he wants it in a local ring, under conditions fair to himself and to the management he can have it.

Some of the fans are betting even money that Petaluma will take a run-out powder. Healy don't want his crowd to meet Richmond very bad, and if he thought there was a possible chance in the world to get away from it, he would cancel the game.

LAST WEEK  
The Old British Convict Ship

## "Success"

The Oldest Ship Afloat (launched 1790 A. D.) and Only Survivor of England's Terrible Fleet of "Ocean Hells."

Now at foot of Webster Street, Oakland,  
on tour of the world

THIS WONDERFUL VESSEL HAS  
MADE HISTORY

Through three centuries. She marks the beginning and the end of England's monstrous penal system.

She has held lurid horror and dreadful iniquities beside which even the terrible stories of the Black Hole of Calcutta and the Spanish Inquisition pale into insignificance.

She is the oldest ship in the world and the only convict ship left afloat out of that dreadful "Fleet of Hells" which sailed the Seven Seas in 1790 A. D.

She is unchanged after all these years, nothing being omitted but her human freight and their sufferings from the cruelties and barbarities practised upon them.

Aboard her are now shown, in their original state, all the airless dungeons and condemned cells, the whipping post, the manacles, the branding irons, the punishment balls, the leaden-tipped cat-o'-nine tails, the coffin bath and the other fiendish inventions of man's brutality to his fellow man.

From keel to topmast she cries aloud the greatest lesson the world has ever known in the history of human progress.

The Convict Ship "Success" is the Greatest and Most Extraordinary Exhibition That Ever Visited America. It is a Theme for the Pen of a Dante. When You Walk Her Decks, Grooved with the Chains of Her Miserable Victims, the Past Will Speak to You Its Sad and Mournful Lesson, But You will Leave Feeling Better Because You Live in a Better Age.

The Convict Ship is lighted throughout with electricity so that her manifold wonders can be comfortably inspected. A corps of high-class guides and lecturers are always on duty, to conduct visitors over her three decks brimful of historic and educational interest.

ADMISSION, INCLUDING SERVICES OF A GUIDE AND LECTURER, 25 CENTS.

Note—The "Success" can be boarded direct from the pier by gangplanks.

OPEN TO THE PUBLIC DAILY FROM 10 A. M. TO 10 P. M.

WEBSTER ST. WHARF OAKLAND
